NON-JUMPING CLASSES – VETERAN or DISABLED HANDLER: Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/ Disabled handlers in the non-jumping classes only. The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course. When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height

SKILLED AND PROFICIENT CATEGORIES: Dogs must be entered in either the Skilled or the Proficient category. A dog may not be entered in Skilled one day and Proficient on another day. Dogs may enter the Skilled or Proficient category in the Standard, Veteran, or Junior Handler Division. If you enter the Skilled category, you must enter your dog one jump height (4") lower than your dog's Standard jump height. (Four inches will remain the minimum jump height.) Dogs are allotted the standard course time for, and are scored and placed, in the jump height entered.

NEW! As of January-2014: Dogs must be entered in the Veterans Division after their 9th birthday. Dogs must be entered in the Skilled Category, Veterans Division after their 12th birthday.

LEVELS: Points earned at a higher level of a class, prior to the completion of the lower level title, will not be recorded by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

AWARDS: Purple flat ribbons will be awarded for qualifying runs. Ribbons will be awarded for 1st through 6th place in each jump height in Novice classes. Ribbons will be awarded for 1st through 4th place for each jump height and class for all other levels. Chances is pass/no pass and thus no placement ribbons will be awarded.

RESULTS: The Trial Secretary will send results directly after the trial. If there are errors, please report them to the Trial Secretary immediately. The Trial Secretary then submits results to NADAC, which records and uploads them to the "Points" section of www.NADACForum.com within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. Join the Forum by going to www.NADACForum.com and submitting your request. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the Trial Secretary, who is responsible for correcting any errors and informing NADAC.

"CONTAINERIZED" TRIAL: This is a "containerized" trial. Food or a small noiseless toy may be carried into the ring in your pocket provided it is contained in a Ziplock bag or small container such as a pill bottle. The container may not be visible in the ring or within 10 feet of the ring. You may not indicate to your dog that you have this item on you, i.e. by patting your pocket. The container may not be removed from your pocket until you are at least 10 feet outside the ring. All food and toys must be contained at the trial and none may be left lying about loose. This policy has been implemented to reduce the possibility of dogs fighting over loose food or toys; diminish dogs' dragging their handlers back to wherever they left their food.
